EcoTank L3250

A4 colour 3-in-1 printer with Wi-Fi Direct

With no cartridges to replace, this is the perfect multifunction (print-scan-copy) printer with Wi-Fi Direct for anyone looking for high-quality prints at an incredibly low cost per page. Featuring a 100-sheet rear paper tray, borderless photo printing (up to 10x15cm) and print speeds of up to 10 pages per minute[1], you can speed through a variety of tasks with ease.

Say goodbye to expensive cartridges
EcoTank provides hassle-free low-cost home printing - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted.

Keep on saving
This economical printer saves you up to 90% on printing costs[2] and comes with up to 3 years' worth of ink included in the box[3]. The included set of ink bottles delivers up to 8,100 pages in black and 6,500 in colour[4].

Epson Smart Panel app
This app enables you to control your printer from your smart device[5]. You can set up Wi-Fi quickly and easily, print documents and photos, monitor and troubleshoot your printer.

Modern flexibility
Featuring a compact design and Wi-Fi and Wi-Fi Direct connectivity, this printer can be easily integrated with your existing home set-up and print from mobiles, tablets and laptops[5].

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit http://www.epson.eu/pageyield

1. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website.
2. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the average yield of ink bottles included in-box within the EcoTank A4 4-colour range. Comparison between average yield (A4 prints of ISO/IEC 24711) of EcoTank "101" and "103" bottles and the genuine consumables used within the 20 best-selling consumer A4 inkjet cartridge printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, H2 2020 to H1 2021 shipments, published Q3 2021).
3. Up to 3 years of ink included is based on average monthly print volumes of 70 pages for EcoTank home and office printers and 40 photos for EcoTank photo printers. Calculations are based on the lowest included black ink bottle page yield for home and office printers and on the lowest included photo page yield for photo printers.
4. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
5. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.eu/connect.
